

The MIT Press Direct

2020 Pricing Information effective January 1, 2020
direct.mitpress.org

About

MIT Press Direct is the best way for libraries to offer MIT Press eBooks to their patrons. Libraries can access the complete collection, with more than 3,000 eBooks and approximately 150 added each year, or subject-specific collections.

Subject collections available are: economics; environmental science; philosophy; and science, technology, and society.

Key Features

- Access to the frontlist comes with term access to the entire backfile for the duration of the year
- DRM-free: users can print, copy and paste, and download PDFs by chapter
- Unlimited simultaneous users
- Subscription and perpetual options
- Free MARC records and KBART files
- COUNTER usage statistics and SUSI reports
- Tiered pricing based on FTE and budget, with no ongoing maintenance fees
- Consortia discounts available

Contact Information

To request a demo, title list, price quote, or any other questions, please contact us at **mitpressdirect@mit.edu**

Ordering Information

General Ordering

Include your subscription account number on all orders.

- Canadian customers, please add 5% GST. Our GST number is 127 618 635.

Subscription Agents

- Our standard agency discount is 3%.
- Agents must deduct their discount from the prices on our Price List when submitting orders by mail or fax. If you do not deduct your agency discount, we will hold the overpayment on your account to be used for future orders.
- Agents must include complete end user information for all orders.

Payments

- Checks and money orders must be in US funds, drawn on a US bank and made payable to **MIT Press**.
- American Express, VISA & MasterCard are also accepted.
- Never send credit card information by email.
- We do not have a European Community Value Added Tax (VAT) number.
- Our wire or bank transfer information is below. Please email **jdpcs-wires@mit.edu** when the wire transfer is initiated.

Wire payment ABA routing #: 026 009 593

ACH ABA routing #: 011 000 138

Bank address:

Bank of America, NA, 100 Federal Street, Boston MA 02110

Swift code: BOFAUS3N

Account name: MIT Press Journals

DDA account number: 004632424694 (MIT Incoming Wire)

Please note MIT does not charge for incoming wires. The bank you use to remit a wire transfer payment will make the transfer according to its own routing arrangements. If your bank has chosen to use an intermediary bank to transfer the payment to MIT, the intermediary bank may deduct their fee from your payment. This appears to be general banking practice. Please ask your bank if they will use an intermediary bank to process the transfer and if this bank will charge you or the receiving bank (MIT's bank) a fee and what the amount will be. The customer is responsible for all bank fees.

MIT Press Complete Collection

The Complete Collection offers more than 3,000 eBooks, including approximately 150 titles published in 2020. Key subject areas covered in the complete collection include art and architecture, biomedical sciences, business and finance, computer science, cognitive science, design, education, environment, game studies, humanities, information science, linguistics, neuroscience, new media, philosophy, and social sciences.

1/Associate's Colleges	\$8,088	\$5,032	\$7,585	\$1,196	\$1,855	\$1,871	\$2,025

Subject Collections

Economics Collection

The Economics Collection brings together more than 380 titles, including those to be released in 2020. MIT Press has long been known for the depth and seriousness of the economics books published, and this collection includes work from Nobel Prize winners Michael Spence, Joseph E. Stiglitz, Peter Diamond, James J. Heckman, Paul Krugman, Franco Modigliani, Elinor Ostrom, Edmund S. Phelps, Christopher Pissarides, Herbert A. Simon, and Jean Tirole.

The collection is available for purchase and subscription. Purchasers may elect to “top up” their collections to maintain completeness. Subscribers receive access to the collection for the duration of the year. To maintain access after the year is complete, libraries may purchase the collection or renew the subscription.

Pricing

Pricing tiers are based on the 2015 Carnegie Basic Classification (US) and on institutional FTE (full time enrollment) and the highest degree offered (intl). Corporate rates are equivalent to tier 5. For quotes or questions, please email mitpressdirect@mit.edu

Tier	Perpetual Price	Subscription Price	2020 Top Up*
5/Doctoral Universities FTE 10,000+	\$22,036	\$4,268	\$700
4/Doctoral Universities FTE 5,000+	\$16,527	\$3,200	\$525
3/Master's Universities and Colleges	\$11,018	\$2,134	\$350
2/Baccalaureate Colleges	\$7,713	\$1,494	\$245
1/Associate's Colleges	\$5,509	\$1,067	\$175

Science, Technology, and Society Collection

The Science, Technology, and Society (STS) Collection consists of more than 280 titles, including those released in 2020. Building on a program in STS established by MIT in the 1970s, MIT Press has become one of the most well-regarded publishers in this area, presenting a diverse and international group of emerging and established authors. Topics covered in the STS collection include history of technology and science, transportation, spaceflight, computation, women in science, energy, and ethics.

The collection is available for purchase and subscription. Purchasers may elect to “top up” their collections to maintain completeness. Subscribers receive access to the collection for the duration of the year. To maintain access after the year is complete, libraries may purchase the collection or renew the subscription.

1/Associate's Colleges	\$3,644	\$689	\$199

*Existing customers who have purchased prior year subject collections may choose to purchase the titles published in the current year through a “top up.”

Subject Collections

Environmental Science Collection

The Environmental Science Collection curates more than 330 titles, including those to be released in 2020. Topics covered in the collection include energy, climate change, transportation, urbanism, food studies, sustainability, politics and policy, environmental economics, environmental humanities, and more. Authors include the Nobel Prize winner Stephen S. Schneider and leaders from academia, government, and NGOs.

The collection is available for purchase and subscription. Purchasers may elect to “top up” their collections to maintain completeness. Subscribers receive access to the collection for the duration of the year. To maintain access after the year is complete, libraries may purchase the collection or renew the subscription.
